

HEALTHGRAIN FORUM

Dear Healthgrain Forum Member,

we would like to take this opportunity to look back at 2019 and thank you for the support given to the Forum! Just to highlight some major activities of this year, HGF successfully organised several meetings, as the Spring Workshop in combination with the Honorary Symposium to Kaisa Poutanen, the session at FENS19, as well as Autumn Workshop kindly organised in combination with the Barilla factory visit in Parma and the Foundation event in Milan. **Please find in the [member's area](#) all presentations and pictures** of the last event. Furthermore, the Forum found exposure on EU and WHO level and officially joint the [Whole Grain Initiative](#) by signing the letter of intent.

Save the date: Puratos will be our host for the **Spring Workshop 2020 in Brussels**. Please save the dates from **March 30 to April 1**. The programme will be communicated in early 2020. For your travel planning, please note that on Monday registration will start at 11 am and that on Wednesday 1 April, an optional factory visit will be arranged which will end around 5 pm.

On behalf of the HGF Board, we wish you Merry Christmas and a Prosperous 2020!
We hope to meet you again in the upcoming Spring Workshop in Belgium.

Best Regards,

On behalf of Healthgrain Forum
