Dear HGF members and Newsletter readers,

HGF Spring Workshop 2023 - SAVE THE DATE

Finally we are able to meet in person again for the upcoming **Spring Workshop** in **Belgium** on **April 26 and 27**. The programme outline will consist of:

Wednesday April 26

- Visit at **Puratos** facilities in **Groot-Bijgaarden** starting from 09:00 CEST
- Afternoon workshop with presentations on the EU project [InnoFoodAfrica](#) results
- HGF General Assembly meeting
- Networking dinner in Brussels

Thursday April 27

- From 09:00-13:00 CEST workshop at **KU Leuven Arenberg Castle** Auditorium in collaboration with the EU project [HealthFerm](#) focusing on the state of the art of fermentation processes in relation to sensory quality, food safety and shelf life.

More information with a draft programme, registration information and travel information (hotel options, transfer, dinner) will follow soon.

HealthFerm

As first Training & Capacity Building activity of the HealthFerm project, HGF organizes with the support of ICC the 1st webinar on the *Impact of Microbial Fermentation Food Composition and Attributes*. For more details and registration read [here](#).

HGF Board candidatures

Please be aware that at the GA some Board members need to be (re)elected. At this moment we have one open position for an Academic affiliate. Candidatures are welcome.

At the GA during the Autumn workshop more Board member positions will be open for new candidates.

We will inform you during the upcoming GA.

On behalf of the HGF Board
